TRAINING / WORKSHOP

WEBINAR ON ECBC PER WEEK (14 IN NO.) TO BE CONDUCTED IN STATE; COVERING TECHNICAL ASPECTS, ECBC IMPLEMENTATION IN STATE/UT, SIMULATION, ECBC COMPONENTS ETC.

1.1 Introduction

Madhya Pradesh Energy Conservation Building code (MP-ECBC) is a proposed state government policy which would be lunched to establish minimum energy performance standard for commercial building in India. MP-ECBC Webinar is an ECBC training programme which was organised with an objective to spread awareness on upcoming ECBC policy. This webinar was conducted in two modules, spread across in two days.

1.2 About MP-ECBC Webinar

A two-day intensive training program was conducted as MP-ECBC webinar on a digital platform i.e. course-I and II. The course-I covered MP-ECBC submittals that focussed on how to fill templates and make compilation report for submission and course-II focussed on different approach for compilation of report. In this course, we presented two case study for better understanding for getting MP-ECBC compliant building. In first case, we discussed about natural ventilated building and in other case, we discussed about mechanical ventilated building. The sessions were conducted in two-time slot in a day, first session started from 9 AM to 11 AM for course-I and second session started from 5PM to 7PM for course-II.

Following sessions have been covered in course-I and course-II:

Course-I	Course-II
Introduction to MP-ECBC and its Rules	Introduction to MP-ECBC Templates
Filling up of MP-ECBC Templates for compliance	Case-study on Naturally Ventilation compliant MPECBC Building
Preparation of Compliance Report for submission	Case-study on Air-conditioned compliant MP-ECBC building
Question & Answer (FEEDBACK)	Question & Answer (FEEDBACK)

Both the courses were organized such that course-I was as on awareness program on ECBC for building sector stakeholders e.g. administrators, government officials of ULBs/UADD/PWD. While, course-II was as on training program for building sector stakeholders e.g. administrators, government officials, architect, engineers, developers, builders, consultants, etc.

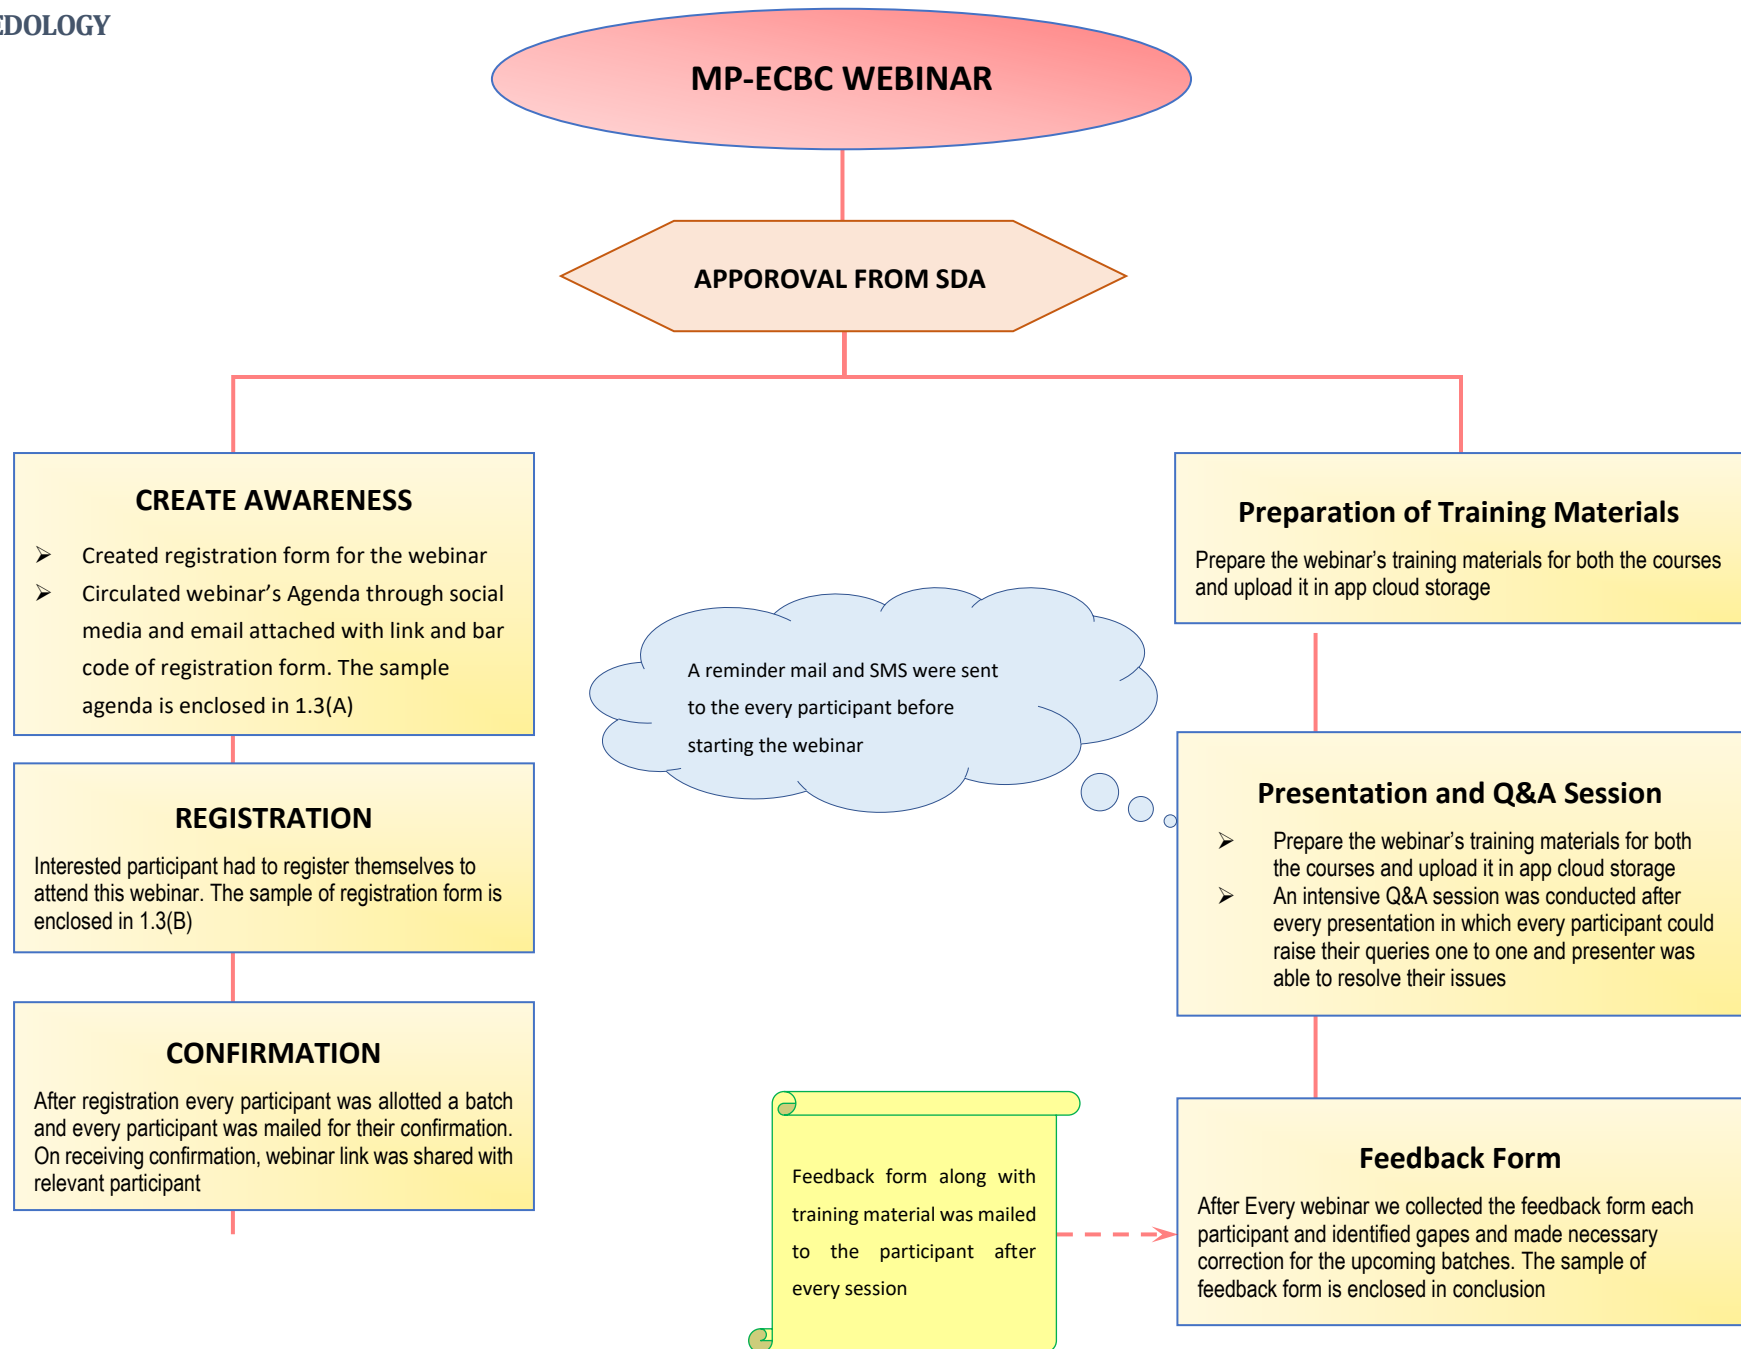

Various stakeholders such as architects, electrical-mechanical-civil engineers, administrators, developer, energy and environment specialist, consultants, manufacturers and research scholars attended the training program. The webinar was presented by the MP-ECBC cell members and ECBC master trainer and had core experience of energy efficiency & sustainability in buildings. The details of the speakers are indicated below-

Er. Jitendra Vyas	Ar. Pallavi Chitnis	Er. Kaushal Lodaya
ECBC Master Trainer 10+ years of experience of ECBC	ECBC Master Trainer 7+ years of experience in Sustainable Architecture	Member, MP-ECBC Cell 8+ years of experience in Sustainability Sector

The total registrations for webinar were more than 400 and thus, the program was organised in 18 different batches with participation from stakeholders was from different disciplines from various sector. The schedule planned for various batches are as below;

1.3(A) Agenda

ORGANIZING A WEBINAR ON TWO DIFFERENT SPECIAL COURSES

COURSE-I	COURSE-II
Understanding about MP-ECBC Submittals (Filing of Templates and compilation of Compliance Report for Submissions)	Approach towards compilation of report for MP-ECBC Compliance (with case studies on naturally ventilation and air-conditioning buildings)
Starting from 17 th December, 9:00AM onwards	Starting from 17 th December, 5:00PM onwards

Dear Madam/Sir,

In reference to our previous interactions with you various during conferences and webinars organized on MP-ECBC, and based on suggestions shared across by you to share case studies on MP-ECBC compliance and to share way of submission of compliance reports related to MP-ECBC.

We are coming up with two new special courses with the experts from TERI, New-Delhi. And these courses will be helpful for all of you to get upgrade your skills towards effective implementation of MP-ECBC. Detailed agenda of Course-I and Course-II are attached herewith for your kind reference, please the attachments.

We request to you to kindly register for these courses by reaching on the link address <https://forms.gle/9Y9u9999999999999999> or Viber chat handle shared herewith for your kind reference.

For any sort of clarification on the same or query, you may contact Mr. Ravshad Lodhaya +91-9899122267. We thank you for your support extended with Mathur Pradeep Uja Vikas Nigam and MP-ECBC Cell for successful implementation of ECBC in Madhya Pradesh.

Thank you!

Best wishes,
Team MP-ECBC
(MPUVN, Bhopal)
