11. All interested bidders can clarify their queries relating to the tender & e-tendering process during Pre-Bid meeting organized by MPUVN on 04-06-2014 at 11.00 AM at Nigam’s conference hall.

12. Since the tender is being invited for “Standardization of Rates”, the lowest rates received and in turn approved by the competent authority would be the MPUVNL’s approved rates. The work would be carried out by the successful (LOWEST THREE) tenderers on these rates. MPUVNL’s approved rates as finalized by MPUVNL may be communicated to all other eligible tenderers. Initially approved rates would be offered to the tenderers who have quoted the rates up to 3rd lowest. If 2nd and/or 3rd lowest tenderers refuse to accept the approved

rates next lowest tenderers would be offered to accept the approved rates. Finally, the approved rates would be offered to maximum up to three tenderers amongst first five lowest tenderers. The tenderers who accept the lowest rates shall be required to enter into an agreement with MPUVN for the approved rates and terms & conditions including price validity for placement of work orders up to **30/09/2015** and will be known as successful tenderer. The work would be allocated in the ratio of approximately 60% to L-1, 25% to L-2 and 15% to L-3 respectively (In case of refusal of L-2 and or L-3 the next lowest eligible tenderers would be offered to accept the approved rates and work would be allocated in the given ratio i.e. 25% and 15% respectively). However, in case if third successful tenderer do not agree to work on approved rate (viz at L-1 rate) than work will be distributed between L-1 and L-2 in the ratio of 70:30. Furthermore, 100% work will be allotted, in case if only one eligible tenderer is available.

13. The Managing Director, M.P. Urja Vikas Nigam Ltd., Bhopal shall have full rights to accept or reject any or all the tenders, in part or full, without assigning any reason thereof.
