

Annexure – IV

Net Metering particulars	Unit Price, in Rs. (Including GST, F&I)
Single Phase two wire meter accuracy class 1. Standard. Voltage 240V, current rating 10-60 Amp, communication port: Optical/DLMS (Suitable up to 5 kW)	2680 (3226)
Three Phase four wire meter accuracy class 1. Standard. Voltage 3x240V (P-N), current rating 10-60 Amp, communication port: Optical RS 232/DLMS (Suitable up to 18.65 kW)	5850 (7041)
Three Phase four wire LTCT operated meter accuracy class 0.5s. Standard Voltage 3x240V (P-N), current rating -/5 Amp, communication port: Optical RS 232/DLMS (Suitable up to 50 kW)	9500 (11434)
Three Phase four wire HT meter accuracy class 0.5s. Standard. Voltage 3x63. 5V (P-N), current rating -/5 Amp OR - /1 Amp, communication port: Optical RS 232/DLMS (Suitable above 50 kW Application)	18000 (21665)
GPRS/GSM Modem ECD 210	7000 (8425)
Meter to Modern Optical/RS 232 Communication Cable	950 (1240)
