

MPUVN/SPV/2020-21/396

Dated 23-06-2020

CORRIGENDUM - XII

Sub: Regarding use of indigenous Solar Modules and changes in RfP

RfP No. 1. MPUVN-GCRT/25 MWp/2019- 20/2642, dated: 24-01-2020

2. MNRE Office Memorandum, dated: 02-01-2020

1. Make of Solar Modules

With reference to Clause no. 13.2 of the RfP referred above, it is hereby informed to the participants that only indigenously manufactured ("Made in India") Solar PV modules shall be used. Participants are accordingly advised to submit their bid.

2. Changes in the RfP

a. Clause 20.1 (e) shall be read as:

Storage cell / batteries should conform to any of the latest applicable standard of IEC 62619 / IEC 62133 / IEC 61427 / IEC 62281 / IS 16805 / IS 16046 as per specifications.

The cell and battery should be got tested as per IEC 62133-2:2017 or BIS specifications with MNRE/NABL/IEC accredited test center/laboratory as per IEC/BIS standard IEC 62133, IEC 61960, & UL 1642: Safety of LiFePO4 battery

b. Clause 13.2 shall be read as:

The Solar PV Modules used should be "Made in India".

None of the categories are restrictive in terms of the classification of modules based on the place of manufacture, that is, every category shall be "Open" for this tender.
